

15th Annual Mid-Oregon Construction Safety Summit

Dear Prospective Exhibitor:

You are cordially invited to join industry representatives and exhibit your products at the Mid-Oregon Construction Safety Summit. The Central Oregon Safety & Health Association (COSHA) and construction-related organizations are proud to present this construction safety and health educational event.

The 2016 Safety Summit targets some of the most hazardous tasks found on construction sites. Sessions are tailored to bring the most relevant and timely information and tools to assist employers and employees in reducing and eliminating injuries and illnesses on their jobs.

Our goal is to provide an outstanding Summit that is affordable and provides construction workers with the tools to work safer and healthier.

As an industry representative, your company has a rare and exciting opportunity to display and participate in this year's successful Summit. The Summit is being held **January 26, 2016**, at The Riverhouse Hotel and Convention Center in Bend, Oregon. We invite your company to be an exhibitor for this one-day event.

Should you choose not to become an exhibitor, your company may be a benefactor by sponsoring breakfast, lunch, or as a general sponsor. As a sponsor you will receive special recognition in the conference program as well as during the conference. Donating \$750 or more will place your company logo on the t-shirt given to each attendee (pledge and artwork deadline are December 1, 2015).

Exhibitor package:

- **10'x6' pipe and drape space, one 8' table, and two chairs - \$250**

We recommend you register before December 11, 2015. To reserve a space, complete the exhibit application and return it with payment.

Questions? Contact Jill McConnell, Oregon OSHA Conference Section
jill.mcconnell@oregon.gov ; 503-947-7441; Fax: 503-947-7019

Sincerely,

The 2016 Mid-Oregon Construction Safety Summit Planning Committee
